MEXICAN-CHINESE TREATY.

It Is Liberal to Mexicans, and Will Soon Be Ratified.

(By Associated Press.)

SAN FRANCISCO, June 15.—Lai Yung Lok, late Chinese Consul-General at this place, is in receipt from Tsung Li Yamen, the Foreign Office of the Emperor of China, notice of his appointment as Ambassador, with full powers to ratify the treaty between China and Mexico.

Upon the arrival of a representative of the Chinese Minister, Yung Lok, who is to accompany the party, the Ambassador and his suite will proceed to the City of Mexico.

The treaty, prepared by a San Francisco lawyer, has already been submitted to both powers. It is now certain that its ratification is only a matter of time and it will soon be in full force.

The treaty, which is a liberal one, extends the same privileges and courtesies to Mexican citizens who may visit China and Chinese who may visit Mexico.

It is reported that the adoption of the treaty will result in an exodus from San Francisco Chinatown to Mexico.

GRESHAM FOR SENATOR.

Illinois Populists Will, It Is Said, Make Him Their Candidate.

(By Associated Press.)

CHICAGO, June 15.—The Inter-Ocean this morning publishes the following: "Secretary of State Walter Q. Gresham is said to be a candidate of the Illinois Populists for United States Senator to succeed Senator Culver."

This news reached Chicago the same day. The Secretary arrived here, and the Populists are said to be making a move to elect him.

Chairman Taubensack is convinced that the year large number of Democrats will vote the Populist ticket, and estimates that the Populist vote in Illinois will not fall short of 100,000.

He is figuring that from one to five or six members of the Legislature may be elected in November. These members, he says, will hold the balance of power between the Republicans and Democrats in the Legislature.

Neither Republicans nor Democrats would then elect a United States Senator, and Judge Gresham will be entirely satisfactory to the Populists. Secretary Gresham has had information as to the movement, but declines to discuss politics.

CONCOURSE PLAN ADOPTED.

Board of Street Opening's Meeting Was Largely Attended.

Action on Other Annexed District Improvements.

The Mayor's office was crowded to-day by Annexed District property-owners, who had come to attend the meeting of the Board of Street Openings.

The consideration of the adoption of the map prepared by Commissioner Haffen, which includes the proposed grand concourse and speedway, from One Hundred and Sixty-first street to (Courtlandt) Park, which will cost \$100,000, was what attracted the crowd.

Frank D. Hunter, who said he represented three-fourths of the property-owners at Mount Hope, protested against the new concourse. It would, he said, be a great hardship to him, as it would take in the property at the northeast corner of Summit street and Broadway, which he had bought for a home site, and had already spent much money in improvements.

Seventy others endorsing the scheme were read.

Mayor Gilroy evoked much applause by stating that the adoption of the concourse scheme, and that it would be a big improvement to the city, and that it would be a great benefit to the city.

Mayor Gilroy said he favored the widening of the road, and that it would be a great benefit to the city.

The matter was finally referred to the Commissioners of Improvement of the City.

NINE LIQUOR SELLERS HELD.

Unusual Vigilance of Harlem Police—Judicial Severity.

The revelations of the Lexow investigating committee seem to have had a salutary effect on the vigilance of the police all over the city, as the number of arrests for violations of the Excise law has increased daily.

There were nine saloon-keepers and bartenders arrested in Harlem Police Court this morning, for an unusually large number for a Friday, Monday being the day of the week.

Those arrested were: William Reese, Patrick Hourke and Joseph Frayer, of 100 West 125th street; Herman Meyer, John Farrell and Leo Adert, of 100 West 125th street; and John Kelly, Harry Peters and John Kelly, of 100 West 125th street.

These men were charged with selling liquor to policemen after 1 A. M. Some of them, through lawyers, fought hard for acquittal, on the ground of "cleaning up the place," but Justice Smith held every one of them for trial in special sessions.
